The Land's End is a fine rugged piece of coast which gains an additional attraction owing to its being the most westerly point of England, the Lizard being the southernmost. Off the coast are many dangerous masses of rock, forming a considerable menace to navigation, and to indicate the danger, the Longships Lighthouse has been erected on Carn Bras. Its lantern is 123 feet above high-water mark.

Dear Violet.
Glad to hear from
Have again been
away from Bellingham
Mother and Betty well.
Very cold, two
feet of snow
this winter. Our
love from
